SPOKAR HOME PRODUCT LINE

PRODUCT LINE HOME

Robust structure, top quality materials and timeless design. This is the way we have chosen for SPOKAR home products to serve you long and well. We produce them using the latest technologies, respectful of the environment. The SPOKAR home product line was designed by the leading Czech designer Petr Novague. He brought them not only an attractive appearance, but also solidity and timelessness. Proof of the quality of the created design is the prestigious German Design Award.
